

ALGOZ

# Membership Programme 2026

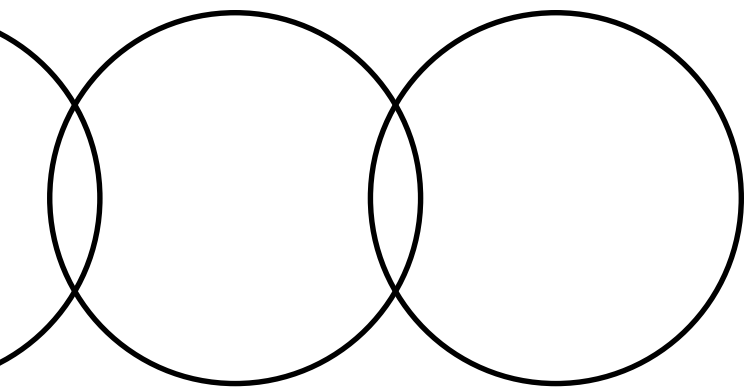

Presented by F. Algozzino

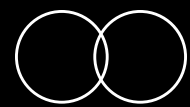

# The Algoz Difference

## Boutique Luxury Redefined

Algoz is a **bespoke luxury house** committed to serving HNWI and UHNWI clients, providing integrated security that elevates lifestyle experiences through a single, discreet point of contact.

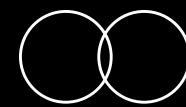

# Competitive Positioning

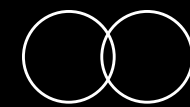

01

Two pillars under one house — luxury lifestyle & events with mobility & protection under a single point of contact.

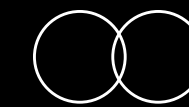

02

Ahead in technology. Encrypted platform, AI working behind the scenes to translate and accelerate.

03

Every contact is a real Algoz person. Never a bot, never automated. In-App encrypted chat with your agent.

04

Tier-based discounts, complimentary consultation, pay after service.

# Member Privileges

## Tier-Based Priority

Members move to the front — requests are routed by tier, with a saved encrypted profile so preferences and history never need re-briefing.

## Member Referral

Members earn one complimentary month at renewal for each successful referral admitted to a Member Tier, rewarding the introductions that grow our circle.

## Global Trusted Network Access

Members tap into our vetted network of operatives, drivers and venues across Europe, the Middle East, Brazil, Asia and North America — anywhere they need us.

## Cryptocurrency Settlement

Members can settle transactions using **cryptocurrencies** like BTC, ETH, USDT, and USDC, in addition to traditional payment methods for ease of transaction.

# Membership Tiers Overview

## Guild Member

The Guild Member tier offers essential access to the Algoz network, ensuring a personalized concierge experience for members.

## Shield Society

The Shield Society tier provides a security-led membership option, including proactive intelligence reports and urgent agent on-call availability for high-profile clients.

## The Four Tiers Comprehensive Benefits

All membership tiers inherit benefits from lower levels, ensuring maximum value and seamless access to exclusive services and privileges.

## Elite Member

The Elite Member tier includes priority coordination and an active security layer, enhancing your experience with added protection and support.

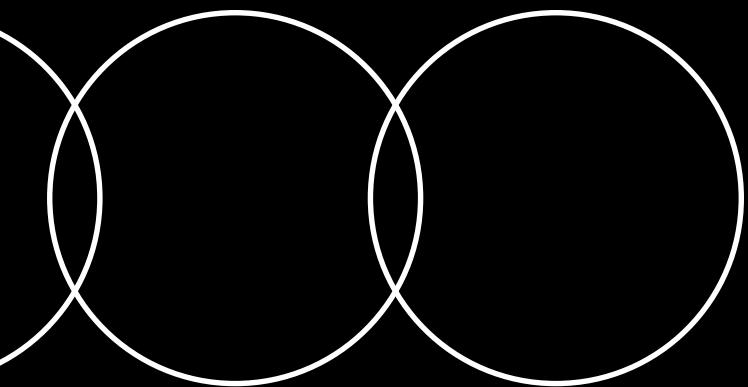

## Nobility Tier

The Nobility Tier offers bespoke services with a dedicated team available around the clock, ensuring comprehensive support tailored to individual needs.

# Guild & Elite Memberships

## Access and Security Benefits

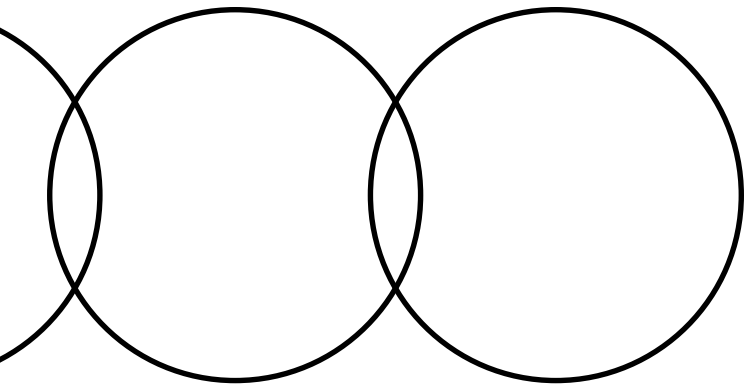

The Guild and Elite tiers provide essential access and priority coordination, ensuring members enjoy personalized concierge services with an active security layer for peace of mind.

# Shield Society & Nobility

## Elite Security Memberships

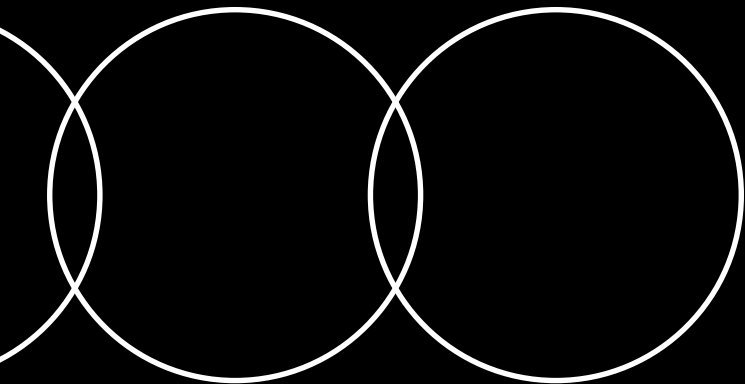

Experience unparalleled **protection and luxury** with our Shield Society and Nobility tiers, designed for high-profile principals seeking bespoke security solutions and exceptional lifestyle services.

# The Algoz APP

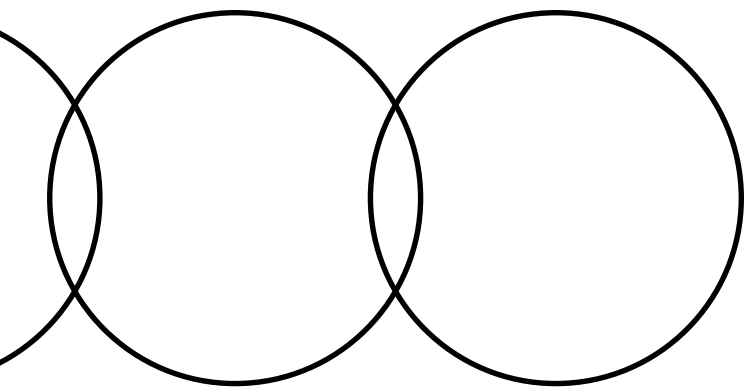

Encrypted, member-only, prioritised by tier.

Real-person chat, never bots. Guild moves ahead of Client Access on the standard channel. The three VIP tiers: Elite, Shield Society and Nobility — unlock 24-hour chat and the VIP area: partner services, empty legs, and operative profiles available in each city.

# Rates and Upgrades

Overview of Membership Pricing and Special Access Options

## Annual Fees

Membership fees for 2026 are competitive, with **options tailored** to meet various needs and preferences for HNWI and UHNWI clients.

## Upgrade Process

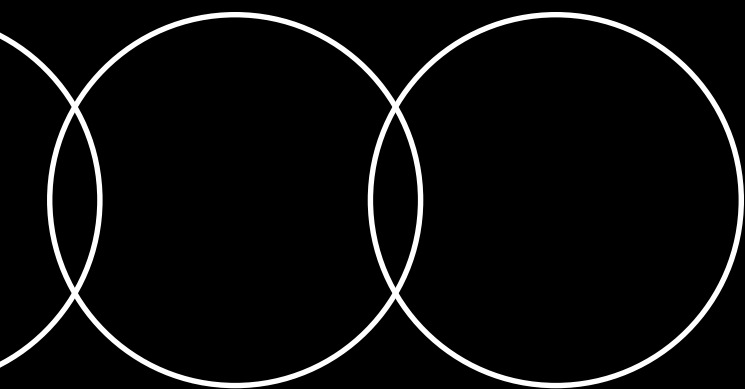

Members can request upgrades throughout the year, charged pro rata, ensuring flexibility and access to higher-tier services as needed.

## Invitation Only

Exclusive classes like Business Member and Personal Assistant offer tailored services, providing **discreet luxury** for corporate clients and their executives.
