EST. HOUSE ALGOZZINO

HERITAGE & HORIZONS

Old roots, *modern mastery.*

Algoz takes its name from the old Sicilian surname **Algozzino** — origins reaching beyond medieval Sicily, carrying a long lineage of trust, service and discretion. We are part of **House Algozzino**, a traditional Sicilian family of ancient Greek and Arabic roots, whose heritage of hospitality, craft and quiet stewardship runs through everything we do. After years serving a small inner circle — initiated by former French Foreign Legion soldiers — we opened our doors to a wider, equally discerning few. Old roots; modern mastery.

OUR STANDARD

*"The world's most demanding clients don't search for services. **They are referred to us.**"*

THE ALGOZ POSITION

We are both. *By design.*

Algoz is the originator of a category that fuses both sides of the equation — security-led luxury living.

Not a security agency that can arrange a driver, nor a concierge that can call a bodyguard. Close protection, concierge, events and destination management as one integrated discipline — held by one trusted source, governed by discretion, delivered worldwide.

PILLAR A

Luxury Lifestyle & Events

Elevate Your Lifestyle.

Destination weddings · private travel & escapes · brand & private events · photography & film · villas & property · real estate management · executive concierge & VIP access.

PILLAR B

Protection & Mobility

Dominance Delivered.

Close protection & bodyguard · executive transportation · asset transportation · luggage services · private aviation & yacht charter · secured destination management.

ALWAYS WITH YOU

Discretion, *by design.*

High-profile, made low-profile.

Whether you require a constant presence or a silent distance, our role adapts to you — a step away, or seamless in the background, anticipating and ready to act the instant you need us. We move principals securely and unnoticed throughout every journey.

OUR CRAFT

A single point of contact *for everything.*

The full spectrum of secure, discreet and elevated living — every service delivered by proven specialists and trusted licensed partners, coordinated and quality-controlled by Algoz under NDA.

Secured Destination Management

End-to-end planning and on-ground orchestration of every movement, access point and detail.

Executive Transportation

Armoured and luxury vehicles with competent drivers — Mercedes S-Class and V-Class, secure ground logistics and luggage handling.

Private Aviation & Yacht Charter

Private jet and yacht charter arranged through trusted operators, for journeys composed entirely around you.

Private Access & Curated Events

Doors that do not open to the public — galas, premieres, sport, fashion and members' venues.

Crisis Response & Evacuation

Medical, security and evacuation planning, with rapid coordinated response when it matters most.

Close Protection Coordination

Vetted coordination of licensed local providers worldwide, to Level 3 standards, with threat assessment and itinerary planning.

Luxury Concierge & VIP Ground Support

Reservations, access, lifestyle requests and discreet support, anticipated and delivered in real time.

Property & Villa Rental

Curated residences, estates and private villas, vetted and secured for arrival.

Membership & Digital Concierge

A private platform and app placing the full network in the principal's hand, in fifteen languages.

Family-Office & Travel Management

Ongoing executive travel and residential security coordination for families and family offices.

MEMBERSHIP & APP

A relationship, *not a transaction.*

Every principal we serve becomes part of a private membership — built for continuity, priority and absolute discretion. We work with a small number of private clients at any one time: a membership that knows your name, not a tier number. All members see the full catalogue; what changes is the depth of access and speed of response. Pricing is shared privately on enquiry.

You simply *move.*

We handle the rest.

From museum visits to weekend trips across borders, every step is meticulously taken care of — transportation, access, security and personal assistance. No stops, no interruptions, no check-ins.

PRIVATE ACCESS & EVENTS

Doors, *opened.*

Beyond logistics and security, Algoz delivers access — curated entry to the experiences, rooms and tables that define a life well lived.

Galas, Premieres & Awards

Black-tie access and seated placement at the moments that matter.

Michelin Tables & Private Dining

The reservation that was 'fully booked' — and the chef's table beyond it.

Collector previews, private viewings and advisory introductions.

Paddock, suite and hospitality at the season's flagship events.

Fashion Weeks & Showrooms
